

Elementary School Families,

We are excited to offer our students the option of purchasing healthy snacks during their lunch time. These snacks all meet the USDA "Smart Snack" guidelines.

These snacks can be purchased through the students' lunch accounts. Any children on free/reduced meals will need money to purchase a snack. Snacks cannot be charged. Prices range from .25 to 1.00.

If you choose to opt out of having your child purchase snacks in the cafeteria, please complete the information below which will flag the account for "No Snack Purchases".

If you have any questions, feel free to call the Child Nutrition Dept. at 376-7317.
